FUTURE OF MEMORY AND STORAGE

18th ANNUAL FLASH MEMORY SUMMIT
CONFERENCE & EXHIBITION

AUGUST 6-8, 2024

SANTA CLARA CONVENTION CENTER
flashmemorysummit.com
Future of Memory and Storage
FMS2024 is the premier industry show and the largest Solid State Storage event in North America. For 17 years our industry has gathered in Santa Clara, the heart of Silicon Valley, to unveil new products, learn from futurists and visionaries, network with colleagues and explore evolving markets at FMS.

Building on the success of 2023, FMS2024 has expanded into an all-inclusive storage and memory summit, including DRAM, archiving, tape, hard disk drives, DNA-based storage, CXL, UCIe in its robust list of topics such as CXL, UCIe, automotive, data centers in space, CHIPS Act and AI/ML.

FMS attracts companies producing storage systems, subsystems, devices and components along with specialists in consumer electronics, computers, automotive, communications, test equipment, industrial and process control, and instrumentation.

FMS has global appeal, drawing exhibitors and sponsors from around the world. As one attendee aptly stated, “Flash is a big community, and FMS is the right show.”

Engage with the industry’s ecosystem. Expand your brand visibility. Compete for awards. Grow your network. Develop new relationships. Learn about the latest technologies and product offerings.

High-level keynoters, huge exhibit hall, and a truly robust technical program are the hallmarks of the FMS experience.

Please take a moment to review the unique marketing and networking opportunities on the following pages. Our sales staff is available to answer your questions. Whether you’re an existing sponsor or exhibitor, or thinking of participating for the first time, join us in August 2024 at the 18th Annual Summit, and continue growing into the Future of Memory and Storage!

Networking is a vital component of FMS that connects our Solid State Storage industry ecosystem. Sponsors are front and center at these popular and well-attended networking events. Here are just a few of the networking opportunities found exclusively at FMS.

NEW FOR 2024
GRAND OPENING RECEPTION AND BEST OF SHOW AWARDS
The much-anticipated Grand Opening Reception takes place in the vast Exhibit Hall on the first evening of FMS. This is an excellent opportunity to view the latest products, see live demonstrations, and network with a broad spectrum of industry professionals, all the while enjoying great food!

The Best of Show Awards are now scheduled on Tuesday during the Grand Opening Reception—a day earlier than usual—so the award winners will benefit from greater attendance and extended press coverage. This is a great photo opportunity with both traditional and social media coverage. Most recipients display their awards in their booths immediately after the ceremony.

FMS Best of Show Award entry is open only to sponsors and exhibitors.

BEER, PIZZA, AND CHAT WITH THE EXPERTS
This Wednesday evening networking opportunity is an FMS signature event, and a huge success year after year, providing more than forty informal roundtables for discussing a large variety of topics with industry experts.

FMS THEATER
The pitch party is in full swing! Sponsoring companies have the opportunity to promote their product(s) on the FMS Theater stage. Highlights include drawings, parting gifts, new products, hiring announcements, and unique ways to interact with attendees, all in the Exhibit Hall at the FMS Theater.

FMS RAFFLE
Thursday afternoon, FMS Theater will host the 18th Annual FMS Raffle. This close-out event has great prizes and is well-attended, which of course thrills exhibitors and sponsors.

WHO ATTENDS FMS?

Engineers & Developers 45%
Marketing & Sales 28%
Software Developers 6%
Executives 8%
Other 13%

• FMS Best of Show Awards entry
• Pre-registered Press and Analyst List

Post-Show Benefits

• Complete attendee list
• Conference Proceedings
• Early re-sign and first right of refusal of booth space

Media Opportunities

FMS is among the most well-attended conferences by expert advisors, analysts, and journalists.

Media opportunities begin before the conference with pre-Summit releases distributed by the FMS media team, and FMS welcomes your related press releases for website posting. Our communications team performs media and analyst outreach to ensure they register and attend FMS. A press registration list is provided to sponsors and exhibitors periodically during pre-registration.

During the summit, an on-site press liaison team assists with media requests. The spacious FMS Press Room is available for media and analyst meetings and is staffed to help with your requests. Contact press@flashmemorysummit.com.

“In the memory space
FMS is the top conference.
It’s very well attended,
especially at executive levels.”
