Tintri VMstore™: Storage for VMs

- Virtual machines & virtual disks
- Flash just a means to an end

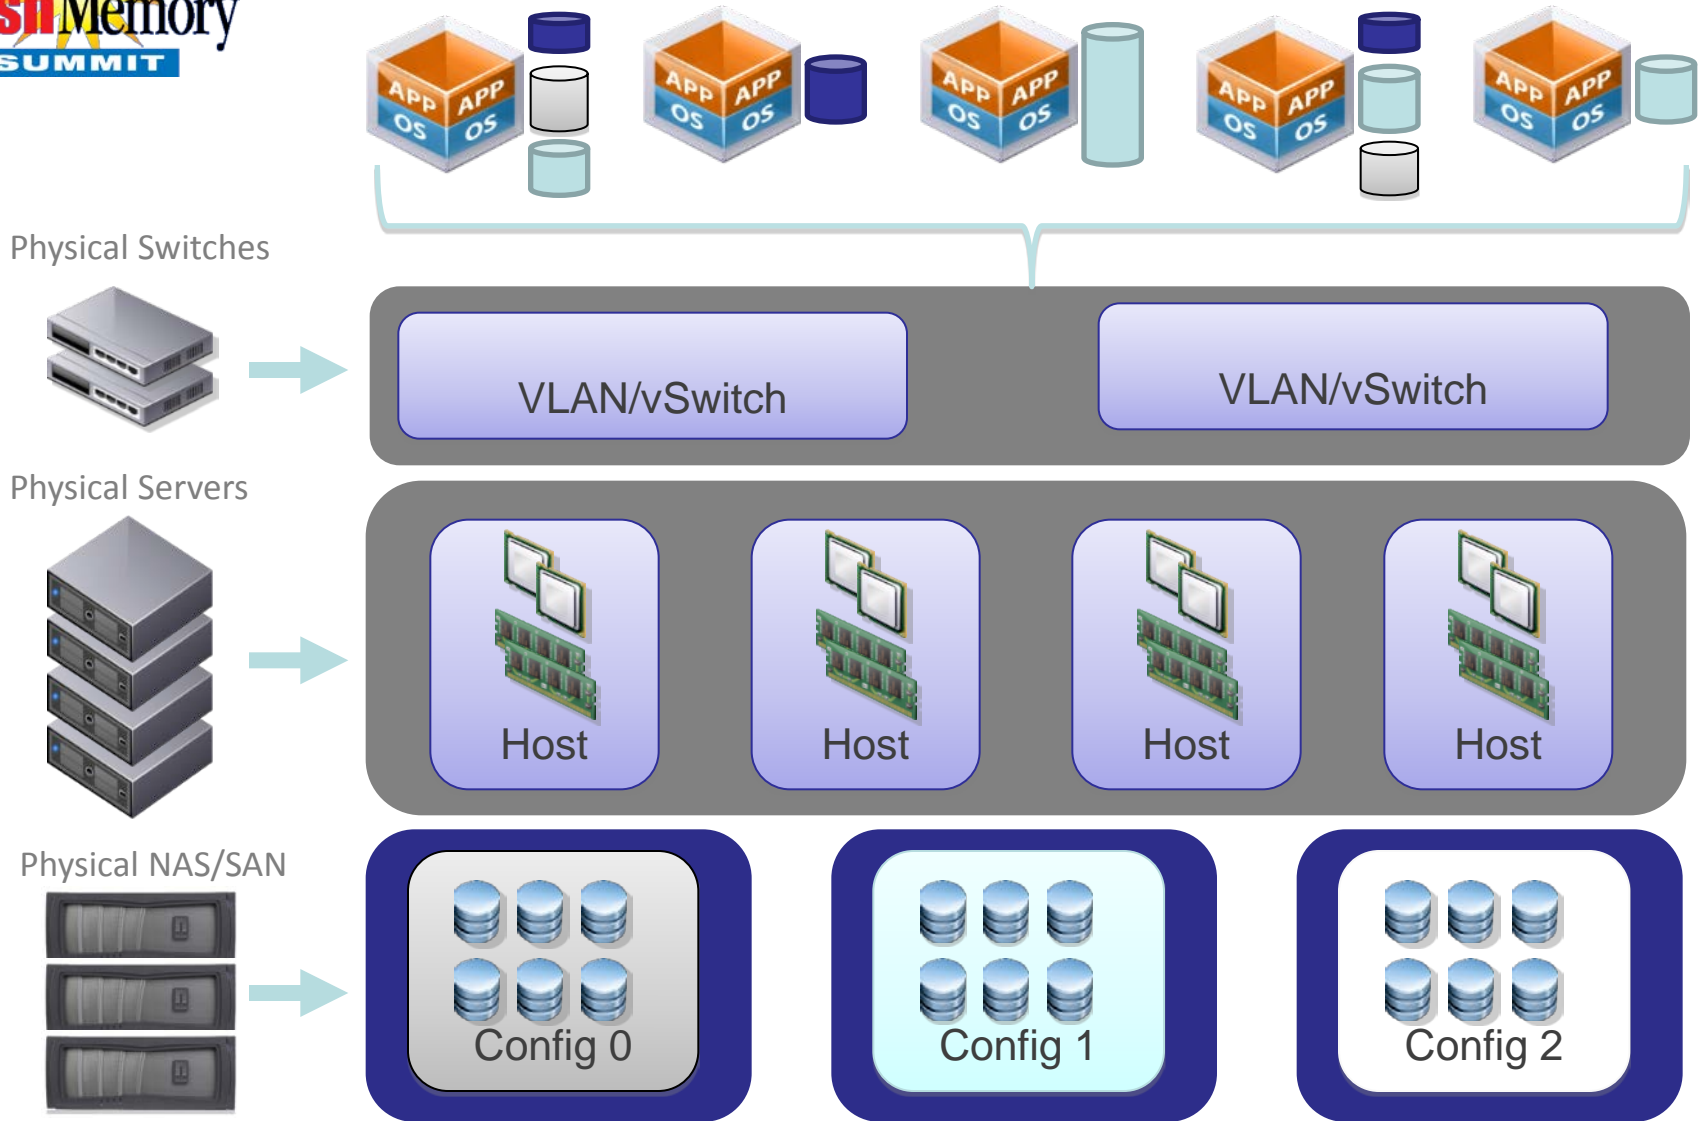

Tintri VMstore™ Architecture

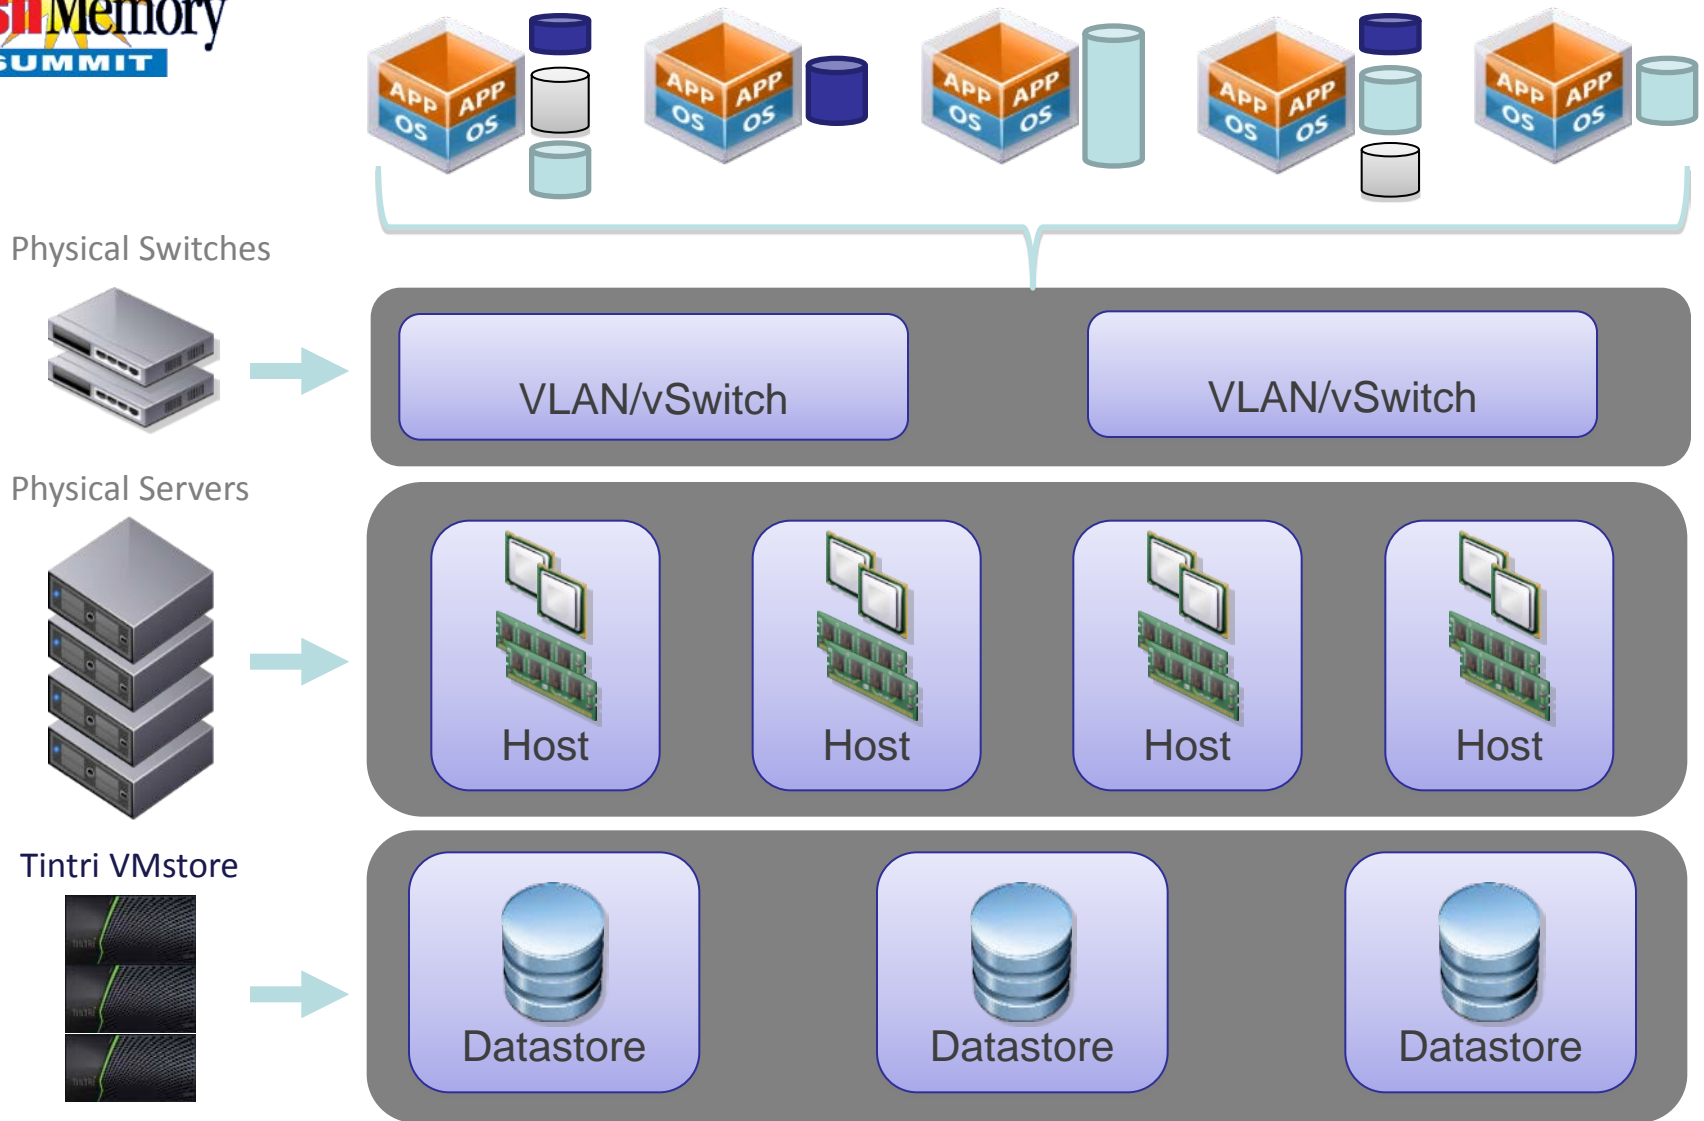

“Customer A” Private Cloud

- Based on Cloudstack (pre-dated OpenStack)
- Self-provisioned portal for software developers
- Currently:
 - 30+ Tintri VMstore™ Appliances
 - 4 Global Datacenters
 - Extremely small staff
 - 100,000+ VMs deployed

Thank You!
