

Pre-Conference Seminar H: Designing SSD Controllers

Organizer/Chairperson:
Erich F. Haratsch
Seagate

Title	Speaker	Duration (mins)
Introduction	Erich Haratsch	10
NAND Flash Basics & Error Characteristics	Thomas Parnell	30
NAND Flash Media Management Algorithms	Erich Haratsch	30
ECC for NAND Flash	Osso Vahabzadeh	45
Break		10
ASIC/Merchant Chip-Based Flash Controllers	Jeff Yang	45
FPGAs in Flash Controller Applications	David McIntyre	45
Panel Discussion	All	25

Thank You! Questions?

A large, white, stylized letter 'S' logo is positioned on the left side of a green horizontal banner. The 'S' is composed of thick, rounded strokes and is partially cut off by the left edge of the frame.
