# NVDIMM FORUM R-31: Powerful Persistent Memory Arrives in a Familiar Form

Forum Chair: Jeff Chang

Flash Memory Summit

# Forum Agenda

## ■ Part 1: Practical Uses of Storage at Memory Speeds

**Sr Tech Staff Member  
Memory Development**

Benchmarking Persistent Memory  
in Computers

**Sr VP & CTO**

The Impact of Persistent Memory  
and Intelligent Data Encoding

**Principle Program Mgr**

Accelerating SQL Server with  
Persistent Memory

## ■ Part 2: NVDIMMs with a Twist

**Director, Product Marketing**

New NVDIMM Architecture Offers a Fast  
SSD on the Memory Bus
